INSURANCE REQUIREMENTS

Before Columbia County can issue a permit for a public event, the sponsor must provide proof of public liability insurance, including property damage, covering all sponsor's activities, including volunteers, arising out of the event with a single limit policy of not less than \$1,000,000 covering all claims per occurrence.

The policy also shall bear the following endorsement:

"Without prejudice to coverage otherwise existing herein, Columbia County and all other affected public agencies, the Board of County Commissioners and the boards of other affected public agencies, their officers including the Columbia County Sheriff, agents and employees are included as additional insureds under this policy as to any claims or claims for injury to person, including death, or damage to property, resulting from or growing out of the activities of the named insured, including all volunteers, under the permit issued by the county for:

(Name of Event)

"It is understood and agreed that this policy shall not terminate or be canceled prior to the completion of the event without first giving 30 days written notice of intention to terminate or to cancel said policy to the county.

"Notwithstanding the naming of additional insureds, the said policy shall protect each insured in the same manner as though a separate policy had been issued to each; but nothing herein shall operate to increase the insurer's liability as set forth elsewhere in the policy beyond the amount or amounts for which the insurer would have been liable if only one person or interest had been named as insured."

A Certificate of evidence of such insurance, together with the above endorsement, shall be submitted to the County and shall be subject to the approval of the County Counsel on behalf of Columbia County as to the adequacy of protection.
