Question 20 words which plainly phrases the chief purpose of the measure

Shall the Charter be amended to approve annexations as provided by state law?

Summary 175 words which concisely and impartially summarizes the measure and its major effect

This measure, if approved, would change Chapter 1, Section 3 of the City of Scappoose Charter ("Charter") to allow annexations to be approved consistent with the process provided for in state law. Currently the Charter requires that any annexation, unless mandated by state law, be submitted to a city-wide election for approval by a majority of those voting in the election. If this measure is passed, annexations would only be submitted to a city-wide election for approval by the voters if such election was required for approval under state law.
