## **Attention: District Candidates for the May 16 2017 Special Election**

### **Voter's Pamphlet**

As in the past for any non-Primary or non-General Election, Columbia County will not produce a voter's pamphlet for this May's upcoming Special District Election.

Candidate filings (the SEL 190) are a matter of public record. In the pursuit of transparency and to help inform this election's voters about the election and candidates involved, Columbia County elections will be posting images of candidate filings for district office to the Election Department pages of the County website at [www.co.columbia.or.us](http://www.co.columbia.or.us). Any voter inquiries to this office will be directed there.

Please keep this in mind as you complete your SEL 190 candidate filings.

Thank you,

Columbia County elections
