This is a unique opportunity for us, as a community, to meet and talk about the alcohol and drug and mental health needs of our children, youth, adults and families. Information from this meeting will be used to guide Columbia Community Mental Health's Implementation Plan for the two years.

DATE: January 14, 2010
TIME: 4PM TO 6PM
PLACE: Columbia Community Mental Health (CCMH)

After a brief overview, attendees will choose one of the following breakout groups. Each group will review strengths, weaknesses and list priorities for funding and activities.
