COLUMBIA COUNTY TRANSFER STATION TO CLOSE ON SUNDAYS

Due to economic conditions the Columbia County Board of Commissioners approved the closure of the Columbia County Transfer Station on Sunday's. Until further notice, the Transfer Station will be closed every Sunday beginning on Sunday, September 12th, 2010.

The Sunday closure was recommended to the Columbia County Board of Commissioners by the County Solid Waste Advisory Committee (SWAC) in order to reduce the operational costs of the Transfer Station due to the relatively low public usage of the facility on Sundays.

The new Transfer Station hours of operation will be Monday - Saturday 8 AM - 5 PM.
