

The adoption fee for most dogs is \$85 (\$30 of which provides for the spay or neuter of the animals). The specialty-dog adoption fee is \$100. On occasion, older or harder to place dogs may be adopted without fees. Call or email if you have any inquiries about one of our listed dogs. Due to staffing time restraints, we might not have all dogs posted on the Pet Finder web page. Most dogs are available on a first-come, first-serve basis and cannot be saved for later adoption. Please stop by the shelter to see the dogs available, as they can change daily.

Our listings can be found through the [Petfinder Web Service](#) (this link will open in a new window).
