DOG CONTROL

These web pages are part of our commitment to provide easy access to dog control issues, aid in the reporting of lost and found dogs, legal information on dog issues. Obtaining a dog licenses and providing information on the County dog services being provided to the community.

Animal services in the County have been changing with the on going issue of county budget obligations. The County Animal Control program is now referred to as the County DOG CONTROL program and will designate their resources to providing services to the dog community.(Bite, nuisance, and neglect investigations).

Investigations involving the neglect of animal other then dogs are being referred to the [OREGON HUMANE SOCIETY](#)

With some of these changes DOG LICENSING will only be provided by the County Clerk's Office, located at 230 Strand Ave Saint Helen's Oregon 97051. Licenses applications can be downloaded and mailed to the clerks office with proof of rabies vaccinations. You may obtain a license application from clerk or download a pdf file [HERE](#) .

The County Dog Control program is partially funded by the licensing of dogs within the Community. [DONATION SUPPORT](#) provides for medical and other animal care services not normally covered by the County budget process. Everyone can help this program by being a responsible dog owner and everyone can help by making a small donation to the Dog Control Program and/or to the Columbia Humane Society.
