

Welcome to Our Web Site

Welcome to the Columbia County Sheriff's Office website. In Oregon, the Sheriff's duty is to maintain the peace within the county, and the Sheriff is directly accountable to the people, as an elected official. Many people are under the impression that our duties are mostly in the patrol of areas outside municipal city limits. While it is true that we provide law enforcement services to rural parts of the county, this is just a part of what it means to "conserve the peace" in our communities.

Our operations cover a wide variety of duties from law enforcement, to the delivery of civil papers, to maintaining and operating the jail, execution of court orders, providing safety and security to the county courthouse, organizing search and rescue operations and preparing for and coordinating responses to many public safety emergencies in our county.

Overseeing such a diverse operation is a rewarding challenge, as well as a great opportunity to serve the community where I grew up and where my family still lives today.

OUR MISSION

“To conserve the peace in Columbia County.”

OUR VISION

“It is the vision of the Columbia County Sheriff's Office to serve the citizens of our county with:

- effective and efficient public safety services;
- a safe, secure and efficient incarceration facility that contributes to a better quality of life; and,
- reliable court and civil process services.

Each employee is enabled to solve problems by taking ownership and believing he or she can form partnerships with our citizens and fellow public safety providers to make our community an ideal place to live, work, and recreate.”

OUR VALUES

- Employees are valued and empowered to do what is right;
- Citizens are served effectively and efficiently;
- The rights of all are upheld and protected

Since I first took office in 2009, our staff has worked together to provide to the residents of Columbia County the most professional, respectful, ethical response possible to their public safety needs. I am very proud of what our team at the Sheriff's Office has accomplished and
